## 5 Scary-Good Skincare Products from IMAGE Skincare®

---

Autumn brings so many fun things to look forward to—hitting the pumpkin patch, cozying up for family dinner, and celebrating the spooky season. As much as we are looking forward to the thrill of ghosts and ghouls, our skin isn't always as excited about the transition. Cooler weather can bring about skin frustrations, but IMAGE Skincare® is here to help you get the complexion you love with some of their best products. These products work so well that you would think there's a little magic in every bottle.

### **VITAL C hydrating anti aging serum**

IMAGE Skincare has a great collection of [vitamin C skincare](#) products. But if you have to choose just one to start with, it should be their hydrating anti aging serum. This serum is packed with antioxidants that soothe and nourish your skin while helping to soften the appearance of fine lines and wrinkles. It's also packed with hyaluronic acid to keep your skin hydrated, plump, and bouncy throughout the entire fall season.

### **PREVENTION+® daily tinted moisturizer SPF 30**

Even though the sun's intensity might feel like it's waning in the crisp autumn air, you still need to put on sunscreen daily. IMAGE Skincare has you covered. [SPF 30 moisturizer](#) from IMAGE Skincare is the best base layer for every fall day. Nourish your complexion with radiant hydration and get the protection you need to have a stunning, flawless complexion.

### **AGELESS total repair crème**

One of the scariest aspects of the spooky season is the return of dry skin and the appearance of fine lines and wrinkles. But AGELESS total repair creme from IMAGE Skincare is here to help brighten your complexion like the fountain of youth. This formula uses a dual resurfacing system that features glycolic acid and retinol to help you get an even skin texture and fight the look of aging.

## **IMAGE MD® restoring eye masks**

No one likes it when their eyes look a little zombie-like. A jar of restoring eye masks from IMAGE Skincare is one of the best ways to infuse a little life back into your eyes. This [eye mask](#) uses hydrogel packed with antioxidants, aloe vera, caffeine, and more to infuse your under eyes with moisture and helps reduce the visible signs of fatigue. Store them in the refrigerator for an extra cooling effect.

## **CLEAR CELL salicylic gel cleanser**

Acne breakouts are all too common in the fall season. But that doesn't mean you have to live with blemishes. This salicylic gel cleanser is made with 2% salicylic acid to target your blemishes and prevent new ones from forming. With a refreshing blend of eucalyptus, mint, and tea tree oil, you can say hello to a refreshed complexion all autumn long.
