Kundli analysis

Book an appointment with Acharya Indu Prakash ji today to consult about your Kundli to know all the details about what should be done and what should not be done to make sure that you get the best results in life. Kundli consultation helps you plan your life better. Knowing what your stars say about your life and what needs to be done is very essential. Acharya ji does exactly the same, and tells you what is the best situation considering your stars present situation.

Vastu consultation

Building a home that matches the one in your dreams is not an easy task. There are endless things to be taken care of. Sometimes, despite taking a lot of care when building it, people residing in it are not happy, healthy, or comfortable. There can be several reasons behind it and Vaastu is one of them. It is important to seek the advice of a famed and notable Vastu consultant in Gurgaon who can guide to building new structures or make changes in the existing one such that it is harmonious with nature's elements. Such a structure brings joy, good health, success, wealth, and contentment in the lives of people.

Kundli matching.

“Marriages are made in Heaven” is a popular phrase we all use everyday. However it is very important to make sure that your kundli matches with the one you are about to marry. **Kundli Matching** has been an age old tradition in India and it is something that must not be over looked. Many times we face marital problems in our lives and don't know the reason for it , Kundli Matching can help you for-see the problem and help you take precautions before hand to avoid a permanent damage.

Kundli making.

Kundli helps us tell us the placement of the planets at the time of our birth as well as the present time. Kundli also tells us what our present dasha, Mahadasha and Antardasha is. It helps decide what Path we must choose in our life and what precautions we must take. We provide you with an option of get a print of your kundli through us which will provide you with details of your planetary movement.
