## Easy Ways to Nourish Your Skin with Ursa Major

---

If you want to nourish your skin with pure and effective products, explore the formulas from Ursa Major. The forest-infused ingredients are full of powerful plant actives that support radiant and smooth-looking skin. Ursa Major offers simple ways to help your skin look and feel its best, from [face wipes](#) to deodorant and body care. With this clean skincare brand, you can keep routines short and sweet without sacrificing the results. There is a wide range of products to explore, including the following.

### Use the Moisturizing Stellar Shave Cream

Ursa Major's Stellar Shave Cream is an easy way to nourish your skin. The non-lathering, creamy [natural shave cream](#) uses aloe, sunflower, and birch sap to help moisturize and soothe the skin. The luxurious, rich formula provides the perfect cushion for a close shave. Ursa Major ensures you have a close and clean shave regardless of where and how often you bring out the razor, from your underarms to your legs or face. You can minimize nicks, bumps, and the appearance of redness for smooth and healthy-looking skin all over.

### Grab One of the Essential Face Wipes

When it comes to a simple skincare routine, Ursa Major delivers essentials for anywhere and everywhere. They infuse the Essential Face Wipes with the popular 4-in-1 Essential Face Tonic to cleanse, exfoliate, soothe, and hydrate your complexion. The individually-wrapped wipes are a convenient option when you leave the house, go on a trip, spend time outdoors, or just need

to take care of your skin fast. Skin multitaskers like willow bark and aloe help take excellent care of your skin, gently exfoliating and hydrating.

### **Apply the Mountain Glow Golden Serum**

Everyone can appreciate and enjoy the Mountain Glow Golden Serum. This ultra-rich serum is full of skin-loving actives, including phytosterols, adaptogens, and vitamins B, C, and E, that give it a gorgeous buttery color. When the serum hits your skin, it melts from a creamy texture into an oil, absorbing quickly and supporting your complexion. It's great for anyone of any age who wants to take better care of their skin and support natural collagen production. Free of harsh ingredients like petrochemicals, parabens, and synthetic fragrances, Ursa Major's clean serum is a safe and effective way to get an instant fresh-off-the-mountain glow.

### **Put on the Base Layer Deodorant**

Ursa Major's Base Layer Deodorant glides on clear and smooth for comfortable odor protection. The Base Layer Deodorant's simple, unscented formula uses hops and probiotic enzymes to beat the stink without synthetic fragrances, aluminum, or even baking soda. While all of Ursa Major's clean deodorants have high-quality, plant-powered goodness, Base Layer Deodorant's unscented formula is free of essential oils, so it's ultra-gentle on even the most sensitive skin.

So, grab a pack of [wipes for face](#), take care of your complexion, and get into total-body care with Ursa Major. They make skincare easy with pure and potent ingredients, providing what you need to turn your focus to the things that matter most in your life.
