## 5 Things To Know About Razor Cut Hair This Winter

### The Basics Of Razor Cut Hair

**Razor-cut hair** is a transformative technique that uses a specialized razor tool to create soft, textured layers, adding volume & elegance to your winter hairstyle

### Embrace Effortless Styling With Razor Cut Hair

Did you know you can achieve effortless styling & added volume with razor-cut hair? Try **Sammie Wig by Paula Young®**, an easy-care alternative with razored ends & playful layers

### Razor Cut Hair Is Perfect for Fine And Thin Hair

Razor-cut hair adds volume to thin strands by removing excess weight. Experience voluminous hair without bulk with **Terese WhisperLite® Wig by Paula Young®**, made with ultra-light WhisperLite® fibers

### Razor Cut Hair Is Winter's Go-To Trend

Short razor-cut hair with artful layers & natural movement, exemplified by **Color Me Exquisite Wig by Paula Young®**, sets the trend for the winter season

### Enjoy Low-Maintenance Elegance With Razor Cut Hair

Winter calls for low-maintenance hair, & **Sara Wig by Paula Young®**, a razor-cut style made with style-retaining, easy-care Kanekalon® fibers, delivers just that!

### Razor Cut Hair Is Incredibly Versatile

Heat-friendly **Dahlia VersaFiber® Wig by Paula Young®** exemplifies the versatility of razor-cut hair, effortlessly transitioning from casual to polished styles & allowing heat styling up to 350°F
