Introduction to Blooket

Blooket is an educational online multiplayer quiz game that allows players to compete in fun and engaging trivia games against other players around the world. Players get to choose from thousands of player-created games spanning various subjects. Some key features include customizing an avatar called a blook, hosting private games by sharing a game code, and earning stars to fill a progress bar towards winning. Blooket provides benefits like making learning an interactive experience best enjoyed with friends and family. It turns trivia into a competition while reinforcing lessons from school.
