

**Pamper Yourself with IMAGE Skincare®  
Facials at Hand and Stone**

## **Pamper Yourself with IMAGE Skincare® Facials at Hand and Stone**

Whether you have an exciting event on the horizon, are celebrating a birthday, or simply had a busy week, you deserve a little pampering! When you treat yourself to a professional IMAGE Skincare® facial from a trained esthetician at Hand and Stone, the only tricky part is deciding which treatment to choose.

From a facial that nourishes your skin like a healthy meal to an experience that suits you like your favorite pair of jeans, check out these four treatment options to decide which facial to pamper yourself with first.

### **A Breath of Fresh Air**

Whether you're a dedicated yogi who practices deep breathing daily or just love stopping to sniff the flowers on your morning walk, you have likely experienced the soothing effects of a deep breath. For a [facial spa](#) experience that feels like a slow, cleansing breath for your skin, try IMAGE Skincare's Oxygenating Facial. This luxurious treatment infuses skin with antioxidants, botanical enzymes, and plant cell extracts for ultimate oxygenation, leaving you with a bright, refreshed glow.

### **Natural Nourishment**

If you love to cook, you know what a difference the *quality* of your ingredients makes in your food, from the overall taste to the lasting health benefits. Eating organic whole foods can help

us feel *and* look healthier; the same goes for our skincare products! For a treatment that uses natural, organic ingredients to give your skin a healthy glow, treat yourself to the Organic Lift treatment. This [Hand and Stone Facial](#) uses simple ingredients like aloe vera to soothe skin while brightening with antioxidants. Like a fresh, home-cooked meal for your skin, this treatment will leave you looking refreshed.

### **Comforting Citrus**

When you envision the perfect morning, you may think of starting your day with freshly squeezed orange juice. Orange juice is a classic morning drink for many reasons, from the health benefits of vitamin C to the invigorating scent of citrus. For a refreshing treatment, opt for the MD Power-C Peel treatment at your local [Hand and Stone massage and facial spa](#) to pamper your skin with that fresh, first-sip feeling. By exfoliating with fruit enzymes and harnessing the benefits of vitamin C, this powerful treatment nourishes the skin while visibly firming and brightening.

### **Tailored to You**

Everyone loves that one pair of jeans that fit *perfectly* and seem to go with every outfit. Just like wearing well-tailored clothes boosts your confidence, treating yourself to a customized skincare experience can boost your complexion! Indulge in the IMAGE Classic Facial for a treatment tailored to your skin's unique needs. During this experience, you will chat with one of Hand and Stone's knowledgeable estheticians to develop a facial to address your skin concerns. With natural, effective IMAGE Skincare products, this treatment may brighten and nourish your skin, making you feel like your most radiant self.

From the relaxing experience of receiving a facial to the warm, healthy glow on your skin during the following days, a facial from Hand and Stone is a great way to show yourself—and your skin—some extra pampering.
