

## Swaraj 855 Tractor Price, and Features in 2024

Swaraj 855 FE has a sturdy build, capable of withstanding the rigors of diverse farming tasks. From its robust chassis to the quality of materials used in its construction and powerful engine, its advanced transmission makes it a symbol of efficiency in modern agriculture. The [Swaraj 855 price 2024](#) starts from INR 7.90 lakhs and varies according to the features, and dealer location.

### Engine Power and Performance:

The Swaraj 855 FE has a high-performance engine of 50 horsepower. This powerhouse features 3 cylinders, a displacement of 3307 cc, and an engine rated at 2000 rpm, it ensures optimal fuel combustion, translating into superior productivity.

### Torque and Transmission System:

The [Swaraj 855 hp](#) generates essential torque that drives your machinery. Its torque-packed engine ensures steady performance even in challenging conditions. Paired with an advanced transmission system, the tractor offers seamless gear changes, courtesy of its well-designed gearbox, delivering power to the wheels with precision and efficiency.

### Gears and Transmission:

The Swaraj 855 FE offers a smooth and reliable transmission system. Swaraj 855 has a sliding mesh gearbox including 8 forward and 2 reverse gears, this tractor allows for optimal speed control, ensuring that every task, from plowing to hauling, is executed precisely.

### Hydraulic System and PTO:

The Swaraj 855 FE has a robust hydraulic system with an impressive lifting capacity of 1700 kg, providing the strength to handle heavy loads effortlessly. The Power Take-Off (PTO) mechanism, with its 540 rpm, delivered 46 HP, ensures seamless power transfer to various implements, making your farming operations smoother and more efficient.

### Steering and Brakes:

Swaraj 855 FE offers a responsive and ergonomic mechanical/power steering system. Designed for operator comfort, it ensures precise control, reducing fatigue during long working hours. The reliable oil-immersed braking system ensures the safety of both the operator and the equipment.
